

**JUNE 10th Board of Directors Meeting**  
**Kalapana Seaview Estates Community Association**  
**RR 2 Box 4537 Pahoia Hawaii 96778**  
*To all Residents and Owners in Kalapana Seaview*

**Thursday June 10, 2010 6:00 PM**  
**Seaview Pavilion**

Dear Board Members,

SPACE politely requests to be removed from the agenda for the next board meeting and we withdraw our request for a letter of support.

We would have loved to have the letter, but can see now that our request has put the association in a difficult situation - something that we did not anticipate and don't want to do.

If any of you would like to write letters in support of the amendment as individuals and not board members, we'd happily accept those!

Thanks for your consideration and sorry for any trouble caused.

Aloha,  
Jenna

**Meeting will start promptly at 6 p.m. All are welcome. Mahalo....**
