

Notice of First Offense

This notice is your First Offense....please abide by Park Dog Policy as outlined below. Your next notice will be by Certified Mail. Kalapana Seaview Ocean Park Dog Policy, In conjunction with the County of Hawaii law relating to dog leashes, the policy requiring all dogs must be leashed is still in force in our parks. We ask that all dog owners kindly leash and curb their dogs when in the parks. This leash policy has been in effect for several years but there are a few that ignore this policy to the detriment of others. Therefore, the Board of Directors has implemented a policy of enforcement, effective August 10, 2009, where residents who choose not to comply with the policy will be cited as follows:

First offense- hand delivered notice of offence asking the resident to leash and/or curb their dog.

Second offense- Certified Letter asking the resident to leash and/or curb their dog.

Third offense- An Order of No Trespass which prevents the resident from entering the park for up to a year. If they choose to enter the park with the Order of No Trespass in place, the police will be authorized to arrest the offender and they face a fine of up to \$1,000 or up to 30 days in jail. Please abide by the Leash policy...and we appreciate the vast majority of owners and residents that continue to respect neighbors and leash their dogs.
